

FRIDAY BLESSINGS

FRIDAYS IN THE VILLAGE OF SPONDON, AT 2:00PM

OBJECTIVE

To speak blessing out over the local community of Spondon, Chaddesden and Alvaston

INTRODUCTION

The Bible says that the role of a priest was to speak Blessings to the people, and we take that privilege seriously. We read that when priests speak Blessings over people, God responds by loosening Blessing upon us.

1 Peter 2:9

Deuteronomy 10:8

RETREAT TO WALES

In October, a group from Our Church visited FFald-y-brenin, Centre for the prayer day and to participate in the Rhythm of Prayer.

A SIMPLE FRAMEWORK

“In the name of Jesus” we bless your life, your home and family. We bless marriages, friendships, your health and wealth.

“In the name of Jesus” we bless, the schools, Churches, Chapels, and all people in these areas of work.

“In the name of Jesus” we bless local shops, police, surgeries, community centres and neighbourhood watch groups and all who serve the community.

“In the name of Jesus” we speak Blessings, that the hearts of people will be softened towards God and be quickened to hear His voice.
